With reference to the Tuticorin Municipal Council proposal that the scale of pay of the IV clerk in the Municipality be revised from Rs 20-1-25 to Rs 25-1-30-1-40 and that the pay of the incumbent at Rs 30/- per mensem in the grade of Rs 25-1-30-1-40 in view of the increase in work in the office of the Assistant Director of Rural Welfare, it is necessary to increase the salary by Rs 5/- per mensem.

2) The Revenue Divisional Officer also strongly recommends the proposal

3) Certain members of the Tuticorin Municipal Council have also submitted a memorandum on 24/9/44 to the Dewan of this Ministry urging "in place of the

IV clerk of the subdivision in G.O. No. 2864 56/Rev 4-41-40 & 7-10-41 was duly advertised and since no candidate turned up in response to the advertisement, one N Ramaphanorah was appointed in the vacancy the appointment has not been approved since the vacancy was special. As there are several vacancies in the present and it is impossible to keep them all vacant, temporary appointments have to be made in the interest of office work the appointed is duly qualified, knows accounts, shorthand and type-writing and is very hardworking and obedient. As a special case, his appointment as clerk may kindly be confirmed since he has served faithfully and well for over three years."

13) The vacancy of the IV clerk was a special one. As seen from the above, no response was made from the candidates of the backward communities. As the Rev Commissioner also recommended, the proposal of the Thahsildar to revise the grade of the scale of pay of the confirmed clerk from Rs 25-1-25-1-30 to Rs 25-1-30-1-40 and Rs 30 for the pay in that grade of the incumbent at Rs 30/- for many perhaps the

(3) The Municipal Council does not seem to have taken s far any action to implement the orders of Government the other hand they have now submitted another proposal that in view of his qualification and useful service, K Ramachandriah be exempted from the operation of the rule of recruitment and fixed on Rs 30/- in an appointment in grade Rs 25-1-40 to be newly sanctioned by Government

(4) It must be noted in this connection that the vacanc in which K N Ramachandriah is now proposed to be appoin is no other than the very same identical vacancy of the 4th clerk in the office of the Town Municipal Council, Tumkur It is proposed that the scale of pay of this post be changed to Rs 25-1-40 and if this revision of th scale is sanctioned, K N Ramachandriah be appointed in the said vacancyon Rs 30/- Granting that the revision asked for is sanctioned, it does not mean that either th identity of or the class to which, the vacancy belongs would above remains changed It would still remain a special vaca is no fresh and valid grounds have been set forth for a consideration of the Government Order, the appointment c
